

# Controlling Complexity

An introduction to question structure\*

by Michael Hardt

Date: Wednesday, February 8, 2012  
Workshop: 9:30 a.m. – 3:00 p.m.  
Location: Day's Inn and Conference Centre  
11 Benson Street, Kingston

Workshop participants will be introduced to question structure to 'enhance their understanding and control of questions' and learn about a 'question-answering strategy' to teach learners.

After the workshop, you will:

- Be able to ask questions at specific difficulty levels
- Discover your question-asking profile
- Understand the framework for scaffolding learning
- Be able to teach a theory-based strategy to learners

The presenter, Michael D. Hardt, partnered with the late Peter Mosenthal to develop an 'instructional model for question structure theory'. Michael is a bright, spirited and humorous presenter...you won't believe how quickly the time flies by during his workshop!

All participants will receive a copy of SkillPlan's *Controlling Complexity: An introduction to question structure*. Lunch and refreshments will be provided.

Seating is limited to two practitioners per LBS agency. Additional names will be put on a waiting list.

**Cost:** LLEO member: \$25.00 per participant

Non-member: \$40.00 per participant

***Please complete and forward the attached registration form no later than Monday, January 30, 2012.***
